

24/7 Virtual Visits

No driving. No waiting rooms. No appointment necessary!

With 24/7 Virtual Visits through Optum Virtual Care, Teladoc®, Doctor on Demand or Amwell®, you can see and talk to a doctor from your mobile device* or computer for less than an office visit. Consider a 24/7 Virtual Visit when it's not an emergency, your doctor is not available or if you need medical attention while traveling. The physician can write a prescription,** if needed, which you can pick up at your local pharmacy.

- ▶ Allergies
- ▶ Bronchitis
- ▶ Cough/cold
- ▶ Diarrhea
- ▶ Ear infection

All network doctors are aligned with the American Medical Association and Federation of State Medical Boards guidelines.
